

2. ALCOHOL USE POLICY

The Presbytery of the Twin Cities Area expects that all minister and elder members and commissioners acting in and on behalf of the PTCA shall adhere to the laws of the State of Minnesota governing the consumption and distribution of alcoholic beverages. Participants in events are also expected to behave in a manner that is in accordance with Minnesota laws and appropriate behavior befitting and reflecting the values of our Christian faith. Those invited to attend events at which alcohol will be available will be alerted in advance so that they may decide if they wish to participate in the activity.

Wherever and whenever alcoholic beverages are served, it is expected that attractive and desirable non-alcoholic beverages will also be served for the sake of those who do not wish to consume alcohol or who must not consume alcohol to maintain sobriety.
