The Mission Witness Committee of the PTCA
has planned to achieve the initiation of
Strategic Goal #8 with this specific 2011
OBJECTIVE developed by Council 12/14/10:

***" In 2011 Mission and Witness Committee
will focus its efforts on identifying and
communicating the 2010 Mission Activities
of 50% of the PTCA congregations, while
also featuring initiatives of it's active task Forces accomplished in 2010."***

To accomplish this 2011 Objective above, we **request that all churches fill out the online Mission Activity Report Form for 2010 by February 6, 2011.**

Go to <http://presbyterytwincities.org/congregational-mission-and-witness-report/>
to fill out the online report.

Let's try to reach our 50% reporting goal by February!

The 2011 Mission Grant Application Forms are now available online and the deadline to receive the applications in the PTCA office is March 1, 2011.

We have developed a new form and will consider grants in all areas of our Mission and Witness including: Disabilities, Peace and Justice, Congregational Mission, Leadership Development, Education, Emerging and Scholarships. Please note all grants must demonstrate a "give back" component that indicates how the project will be used to enrich congregations or the overall mission of the Presbytery. Go to the Mission and Witness page on the Presbytery website (<http://presbyterytwincities.org/committees/mission-and-witness-committee/>) to download the 2011 Application.

It is a pleasure to increase the love of Christ through the work of our Presbytery members and churches.

Rev. Dr. Teresa Roberts, chair
